

# AWS Security Hub Integrations

PROVIDED BY [ALIGNED TECHNOLOGY GROUP](#)

## AWS Service Integration

SERVICE	INTEGRATION TYPE
AWS Audit Manager	Receives Findings
AWS Chatbot	Sends Findings
AWS Config	Sends Findings
Amazon Detective	Linked from Security Hub
AWS Firewall Manager	Sends Findings
Amazon GuardDuty	Sends Findings
AWS Health	Sends Findings
IAM Access Analyzer	Sends Findings
Amazon Inspector	Sends Findings
Amazon Macie	Sends Findings
AWS System Manager Explorer & OpsCenter	Receives/Updates Findings
AWS System Manager Patch Manager	Sends Findings
AWS Trusted Advisor	Receives Findings

Aligned Technology Group (Aligned), is a specialized technology advisor and consultant focused on specific areas of excellence, including: Cloud, Data, Security and Core Infrastructure. The firm provides professional services to large and mid-sized enterprise-class organizations throughout the United States. Aligned is a value-centric partner with a differentiated engagement approach dedicated to selecting and employing technologies to enable and empower business success. With a team of highly experienced consultants and technologists and an expansive partner ecosystem, Aligned is attuned to the latest in technology advancements, innovations and industry trends.

## Third Party Product Integration

SERVICE	INTEGRATION TYPE
3CORESec NTA	Sends Findings
Alert Logic SIEMless Threat Management	Sends Findings
Aqua Security CSP	Sends Findings
Aqua Kube-bench	Sends Findings
Armor Anywhere	Sends Findings
Atlassian Jira Service Management	Receives/Updates Findings
Atlassian Opsgenie	Receives Findings
AttackIQ	Sends Findings
Barracuda Networks Cloud Security Guardian	Sends Findings
BigID Enterprise	Sends Findings
Blue Hexagon for AWS	Sends Findings
Captis Solutions C2VS	Sends Findings
Caveonix Cloud	Sends/Receives Findings
Check Point CloudGuard IaaS	Sends Findings
Check Point CloudGuard Posture Management	Sends Findings
Cloud Custodian	Sends/Receives Findings
Cloud Storage Security AV for AWS S3	Sends Findings
cloudtamer.io	Sends/Receives Findings
Crowdstrike Falcon	Sends Findings
CyberArk Privileged Threat Analytics	Sends Findings
Data Theorem	Sends Findings
DisruptOPS	Sends/Receives Findings
FireEye Helix	Receives Findings
Forcepoint CASB	Sends Findings

## Third Party Product Integration

SERVICE	INTEGRATION TYPE
Forcepoint Cloud Security Gateway	Sends Findings
Forcepoint DLP	Sends Findings
Forcepoint NGFW	Sends Findings
Fugue	Sends Findings
Guardicore Centra 4.0	Sends Findings
Guardicore Infection Monkey	Sends Findings
HackerOne Vulnerability Intelligence	Sends Findings
Helecloud Managed Security	Receives Findings
IBM Qradar	Receives Findings
Juniper Networks vSRX NGFW	Sends Findings
k9 Security Access Analyzer	Sends Findings
Lacework	Sends Findings
Logz.io Cloud SIEM	Receives Findings
McAfee MVISION CNAPP	Sends Findings
MicroFocus Acsight	Receives Findings
NETSCOUT Cyber Investigator	Sends Findings
PagerDuty	Receives Findings
Palo Alto Networks Cortex XSOAR	Receives Findings
Palo Alto Networks Prisma Cloud Compute	Sends Findings
Palo Alto Networks Prisma Cloud Enterprise	Sends Findings
Palo Alto Networks VM-Series	Receives Findings
Prowler	Sends Findings
Qualys Vulnerability Management	Sends Findings
Rackspace Technology Cloud Native Security	Receives Findings

## Third Party Product Integration

SERVICE	INTEGRATION TYPE
Rapid7 InsightConnect	Receives Findings
Rapid7 InsightVM	Sends Findings
RSA Archer	Receives Findings
SecureCloudDB	Sends Findings
SentinelOne	Sends Findings
ServiceNow ITSM	Receives/Updates Findings
Slack	Receives Findings
Sonrai Security Dig	Sends Findings
Sophos Server Protection	Sends Findings
Splunk Enterprise	Receives Findings
Splunk Phantom	Receives Findings
StackRox Kubernetes Security	Sends Findings
Sumo Logic Machine Data Analytics	Sends Findings
Symantec Cloud Workload Protection	Sends Findings
Sysdig Secure for Cloud	Sends Findings
Tenable.io	Sends Findings
ThreatModeler	Receives Findings
Turbot	Sends/Receives Findings
Vectra AI Cognito Detect	Sends Findings
